

Jams

Healthy...naturally!

With fruit for every season – get a head start to your day with these delicious, fruit-filled, healthy jams, bursting with tropical goodness. Apart from being a perfect topping for the breakfast toast, they are often used on cakes, cookies and tarts. Roll some for a quick snack in a chapatti or puri or just lick it off a spoon for a lip smacking, delightful explosion of fruitiliciousness.

The jams are available in multiple pack sizes
